## **BSI Corporate Benefits Celebrates Recent Award Wins, Recognizing Commitment to Excellence in Client Service and Consulting Services**

[LEHIGH VALLEY, PA] October 31, 2024 – BSI Corporate Benefits (BSI), a top player in the employee benefits space is proud to announce several prestigious awards received in recent weeks, highlighting the firm’s unwavering dedication to providing exceptional service and consulting services to their clients and insured members.

BSI has been voted the **Best Health Insurance Provider for 2024** by Lehigh Valley Readers, reflecting the trust and loyalty of employees and clients alike. Additionally, BSI has been recognized as the **Top Employee Benefits Consultant Award Recipient** by Employer, highlighting the firm’s expertise in optimizing plan design and delivering unparalleled service.

Affirming BSI’s commitment to excellence and innovation in the employee benefits landscape, BSI also received top honors in two categories from Lehigh Valley Business Readers: **Best Benefits Consulting Firm** and **Best Employee Benefits Provider**.

BSI’s unwavering ability to continually raise the bar for the other firms to follow has resulted in onboarding several new clients throughout the region and in multiple states within the past year. BSI’s client growth and 98% client retention have culminated into BSI becoming one of the **Fastest Growing** companies in the region, earning the #6 spot on the Fastest Growing list. Additionally, the firm has been named to the **Inc. 5000** list for the third time, a prestigious ranking of the nation’s fastest-growing privately owned businesses. These recognitions emphasize BSI’s remarkable growth and solidifies its position as a leading player in the dynamic world of being a fiercely independent and privately owned business.

Located in the Lehigh Valley, one of the fastest growing regions in the Northeast, BSI stands out as a versatile employee benefits consulting firm offering a broad range of services. The firm’s expertise and guidance has proven to be extremely beneficial for employers looking to enhance their benefit offerings to attract and retain top talent while reducing costs. Their proficiency with self-funded clients makes them a valuable resource for navigating the complexities of stop loss, pharmacy spend, compliance and other HR consulting needs. BSI demonstrates remarkable adaptability, catering to a diverse clientele, from small to large employers.

Significantly, their client portfolio includes notable names such as ArtsQuest, St. Luke’s University Health Network, Martin Guitar, Monmouth University, Just Born, Abeloff Pontiac, Dakkota Integrated Systems based in Detroit, Chicago, and Canada, This diverse client base

demonstrates BSI's ability to tailor services across education, manufacturing, municipalities, healthcare, finance, construction, and nonprofits.

*“Our recent award wins are a direct reflection of the hard work and dedication of our entire team,”* said Tony DaRe, CEO. *“We are incredibly grateful to our clients and the community for their continued support. These recognitions inspire us to keep pushing the boundaries of what’s possible in employee benefits.”*

BSI's positioning among the region they are headquartered in adds a personalized, community-focused touch to their services, enhancing their appeal to businesses seeking a broker with deep insights and connections in the Northeast. Their extensive experience with midsize and large employers, combined with significant involvement as a partner to small business, makes them a well-rounded choice for companies of all sizes.
